Subject: Re: [External] Today's call at 10

Frank,
Sorry you won't be able to be with us. We actually were supposed to have sent out a WebEx invitation to all parties. I will try to figure out what happened.
Regards
David Butler

David,

I will not be able to be on the call this morning. Please advise the Chairman.

Also, I don't think I received the usual info on how to join the call.

Thanks

Frank
